An act relating to taxation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1609, as introduced, Dutton. Taxation.

Existing law imposes various taxes on income and property.

This bill would declare the Legislature's intent to enact legislation that would provide a tax incentive to assist businesses in complying with overly burdensome regulations.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1     SECTION 1. The Legislature declares its intent to enact
- 2     legislation that would provide a tax incentive to assist businesses
- 3     in complying with overly burdensome regulations.
